DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3, 7, 8, 11, 12, 14, 15, 20-24 and 27-49 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter.

Claims 1 and 24 recite, inter alia, "uploading the one or more global rules to the portable remote information capture device" and "identifying a consumer who is eligible for the one or more rewards defined by the uploaded one or more global rules, the module identifying the eligible consumer based on at least the captured remote information and the one or more global rules uploaded to the remote information capture device". Prior art of record do not teach or suggest, either alone or in combination, the aforementioned limitation, nor would it be obvious to modify those references to include such limitation. Examiner notes that applicant's arguments filed 12/21/2007 regarding the above limitations are persuasive.
